Proven Track Record at SEGi

Few local private colleges and universities can match SEGi University and Colleges' proven track record. Since its founding as Systematic College, SEGi has been offering top-notch programmes that adequately prepares students for successful careers.

Nearly 40 years on, SEGi now offers a wide range of programmes from pre-university to postgraduate level, to suit every young learners' need. These programmes include Medicine, Business, Creative Arts and Early Childhood Education. The wide range of selection of programmes at SEGi makes it one of the few private learning institutions that offers nearly every major all successful persons would want to obtain. SEGi has five campuses in the Klang Valley, Penang and Sarawak, making it one of the most accessible higher institutions in the country.

With many other private higher institutions in Malaysia, SEGi still remains one of the most sought-after options after secondary school studies for its legacy in churning out successful individuals. With internships and job placement opportunities for students with well-known employees, plus a special programme for high achieving final year students called the SEGi Talent Enhancement Programme (STEP), there are boundless opportunities for SEGi students to achieve greatness.

With 27,500 students, SEGi is also one of the largest. It is no surprise that there is a huge number due to the vast programmes offered, with options for students to graduate with parchments from SEGi University, either one of our partner universities from the United Kingdom, United States or Australia, or even with both SEGi University and overseas partner universities parchments.

Finances should not be an obstacle to fulfill learning and development goals. SEGi understands that financing further studies can be a dilemma, thus through SEGi's unique financing schemes, anyone who harbours an ambition to obtain a qualification for a successful career can do so through SEGi. SEGi also offers a wide range of scholarships so that deserving students have no obstacle to quality education.

The SEGi name is synonymous with quality education, delivered by a dedicated team of academicians who are passionate to share their experiences and expertise with their students. For example, our academicians from the Health Sciences and also the Early Childhood Care and Education faculties also have prior working experiences at hospitals, clinics and schools. Their students are able to learn beyond their textbooks and discover what the real vocation is like.

It is no wonder, then, that SEGi has garnered a string of accolades. In the past one year, SEGi gained the Silver trophy in the Education & Learning category at **The Putra Brand Awards 2014**, the Gold trophy at **The Reader's Digest Trusted Brand Award 2014** in the Private Universities/Colleges category, the Outstanding Innovation Award by the

Malaysia Retail Chain Association (MRCA) at its inaugural **MRCA Crown Awards 2014**, the Brand Excellence Award 2014 – 2015 in the Education category at the **World Branding Awards** in
