Accelerate your journey to becoming a Professional Accountant

The QIUP **Bachelor of Accounting (Hons)** programme is a four-year full time, and six-year part time programme which was designed with a specific purpose in preparing the graduates to become managers and accountants of value. This programme also offers a window of opportunity to those who want to build their career in the high-demand accounting profession. This degree programme is designed to equip graduates with an in depth understanding in the areas of accounting and finance such as financial accounting, assurance, taxation, corporate finance and financial management.

Graduates from this programme will gain valuable hands-on experience through attachment to industry and businesses in a staggered manner as part of their practical training. The curriculum content is tailor-made according to the specification set by professional bodies such as MIA, ACCA, CIMA, CPA (Australia) and MICPA. This programme thus prepares the graduates for a wide range of career possibilities in the accounting and finance industry including the "Big Four" accounting firm.

Why choose QIUP?

- 1** Faster route to complete ACCA
- 2** Dual Certification
- 3** ACCA Annual Fee waived
- 4** ACCA Exemption Fee deferred
