Hostel

Accommodation

QIU's hostels provide accommodation for students who yearn for the experience of independent life in a secure environment. Nestled in the greenery of the Kinta Valley, our condominium units give students the option of staying in a single or twin-sharing room, with 4 or 6 occupants to a unit.

Transportation is provided to shuttle students between the residences and the city campus. Security checkpoints are installed outside each unit, as part of the 24-hour security surveillance system operated by QIU-appointed personnel.

- 24 Hours Security
- Free Internet & WIFI
- Outdoor Playground & Swimming Pool

Bachelor of Business Administration (Hons)

JPT/BPP(A10306)11/24

Have you ever wondered how global brands like Apple, BMW and Nestle, to name a few, achieve billions in net worth and soaring sales? How did they survive the technological advancements, changes in people's attitude and behaviour and most of all, the competitive markets? If you have, our Bachelor of Business Administration (Hons) programme will be the perfect choice for you.

The Bachelor of Business Administration (Hons) programme provides an in-depth understanding of how businesses organise their resources, formulate strategies, implement cutting edge business tactics and capture the market. It is a 3-year programme that includes 3 months of industrial training in leading global and local companies. Throughout the three years, students will gain substantial insight and exposure of the techniques, knowledge and competencies required to face ever-changing real world challenges.

Apart from business knowledge and competencies, students will also be exposed to social studies and the use of English in classes and activities. This provides students with the opportunity to open their minds and develop critical soft skills. Through this balanced work-play environment, students are able to exude their leadership potential and excel in the ever-challenging and dynamic business world.

Specialisation in:

- **Management**
- **Marketing Management**
- **Human Resource Management**

Intakes:

April, July,
September / October

Duration:

3 years

Mode of Study:

Full-time

Assessment:

Students' abilities are gauged both through continuous assessments and a final exam. The continuous assessment component comprises tests/quizzes, a mid-term examination and projects/assignments which account for an allocation of about 50-60 marks, depending on the course. The balance of the marks is allocated for the final examination.
