Centre for Professional

School / Department Overview

Almost 10 Years of Extensive Experience

The Centre for Professional Accounting Programmes (CPAP) was established in 2011 to offer the Certified Accounting Technician (CAT) and the Association of Chartered Certified Accountants (ACCA) programmes.

ACCA Platinum Approved Learning Partner

In 2014, we went from being an ACCA Gold Approved Learning Partner (ALP) to a Platinum ALP. Platinum ALP is the highest recognition awarded by ACCA to its ALP who have met its stringent criteria on quality programme management and student performance.

Beyond Professional Qualifications

CPAP has proudly seen many of its graduates employed, well established, and well appraised in various industries. We attribute this to our passion in developing confidence and soft skills in our students, as encapsulated in our tagline: Education Beyond Professional Qualifications.

Platinum Status : ACCA Platinum Status Approved Learning Partner

Proven Lecturers : Proven, qualified, experienced, caring and award nurturing lecturers. All P-Level lecturers are ACCA members, some with substantial corporate experience, who are focused to help you pass your P Level examinations

Prize Winners : Track records of Malaysia and world prize winners

Digitally Enabled for Future Proof Career : Students are nurtured to be digitally enabled ACCA with unsurpassed competitive advantages in job market and career advancement. IT training is structured in the Imperium ACCA programme in 3 levels to provide the students with comprehensive IT knowledge and skills

Professional Development for Employability : Invaluable professional development programmes to nurture leadership, communication, social and team working skills to enhance employability and future career growth – Education Beyond Professional Qualification Invaluable professional development programmes to nurture leadership, communication, social and team working skills to enhance employability and future career growth – Education Beyond Professional Qualification

Career-ready Graduates : Personal coaching in seeking employment and in career advancement by ACCA professional from senior corporate position

Comprehensive Scholarships : Our affordable fees and comprehensive Scholarships allow students to focus on their studies without having financial worries

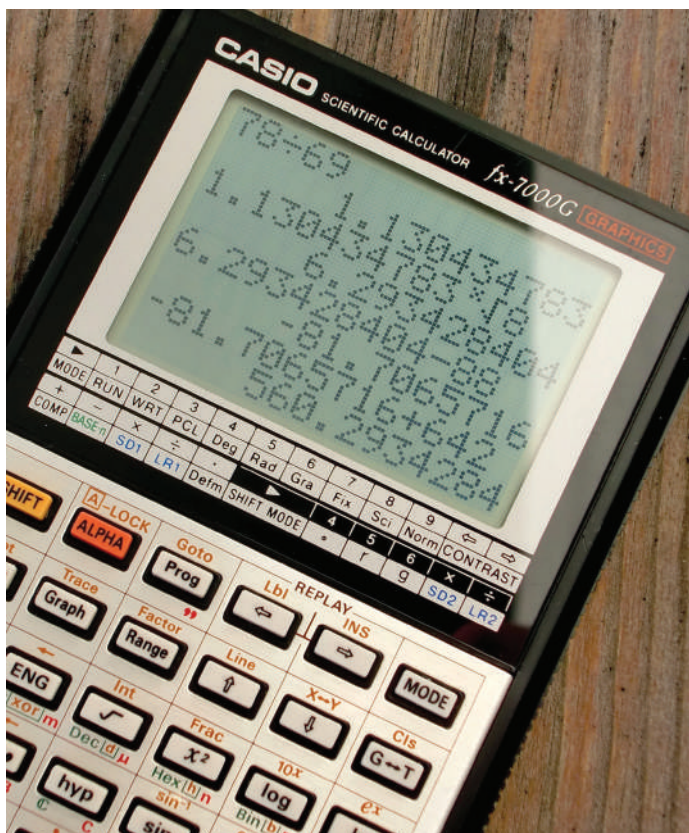

Strategic Campus Location : Conveniently located at Chan Sow Lin LRT Station linked directly to the campus by a sky bridge. Hostel accommodation available directly above the campus building for outstation and overseas students

Foundation In Accountancy (FIA)

KPT (R2/344/3/0332)(MQA/A5062)

Intake January, March, July

Duration 12 Months

Programme Structure

Candidates must pass all 7 papers (see the list below)

Standard course progression is 4-3 papers per semester over 2 semesters. Each semester is 6 months.

Introductory Papers – Introductory Level

FA1 Recording Financial Transactions

MA1 Management Information

Intermediate Papers – Intermediate Level

FA2 Maintaining Financial Records

MA2 Managing Costs and Finances

Advanced Papers – Advanced Level

FBT Business and Technology

FMA Management Accounting

FFA Financial Accounting

An internal compulsory ENL100 English for Accounting and Finance to familiarise students with accounting and finance terminologies.

Programme Overview

The Foundation in Accountancy (FIA) is a qualification designed by ACCA specifically as the introductory qualification prior to training to become a Chartered Certified Accountant through the ACCA Professional Scheme.

The qualification proves to employers that the graduates have all the technical skills and knowledge needed to perform an accounts-support role and that one is capable of working at a technician level.

Graduates of FIA will proceed to the ACCA Qualification with the exemptions for the three Applied Knowledge papers.

Entry Requirements

SPM/O-level/equivalent 5 credits

including in English and Mathematics.

Association of Chartered Certified Accountants

KPT (R2/344/6/O333)(MQA/A1815)

Intake January, July

Duration 24 - 30 Months

Programme Overview

With more than 220,000 members and 530,000 students, the ACCA qualification is one of the most highly respected and valued qualifications available internationally.

An ACCA member will have the opportunity to work in any sector across the world. The ACCA qualification is evidence of particular skills and knowledge that are in high demand in many industries. Students not only gain valuable knowledge in finance and accounting, but also valuable skills in organisational management and business strategy.

Entry Requirements

Any one of these qualifications:

- 2 Principal passes in STPM / A-Levels and 5 Credits in SPM / O-levels including English and Mathematics
- 5 Bs in UEC including English and Mathematics
- Foundation or equivalent

Anyone can study for the ACCA Qualification

The ACCA programme is most suitable for people who aspire to become professionals in any field of business. University graduates of any discipline are eligible to join the programme. No previous knowledge of accounting or finance is required. All that is needed is the drive and passion to pursue it!

Programme Structure

Candidates must pass all 13 papers (see the list below) to earn the ACCA qualification. Standard course progression is 3-3-3-2-2 papers per semester over 5 semesters. In the case of FIA students progressing in to the ACCA Qualification, their standard course progression would be 3-3-2-2 papers per semester over 4 semesters. Each semester is 6 months duration; 5 semesters would be 2.5 years while 4 semesters would be 2 years of study duration.

Although ACCA holds quarterly exams i.e. in the months of March, June, September and December, Imperium International College prepares its students toward the half-yearly exams in the months of June and December. The six-month duration allows many professional skills enhancement activities, especially IT related workshops, to be organised to nurture the students and make them make them competitive in their career.

13 papers to complete are:

Applied Knowledge Papers – Applied Knowledge

BT Business and Technology
MA Management Accounting
FA Financial Accounting

Applied Skills Papers –Applied Skills

LW Business and Corporate Law *
PM Performance Management

Plus, an internal compulsory ENL100 English for Accounting and Finance to familiarize students with accounting and finance terminologies.

A blurred background image of a business meeting. A man with a beard and a woman are looking at documents on a table. The man is smiling. The woman is holding a blue pen and pointing at a document. The documents contain financial data and charts.

ACCOUNTING IS THE LANGUAGE OF BUSINESS

WARREN BUFFETT

Head of Centre Profile

Mr David, Lam Hai Chiang

FCCA, CA(M)

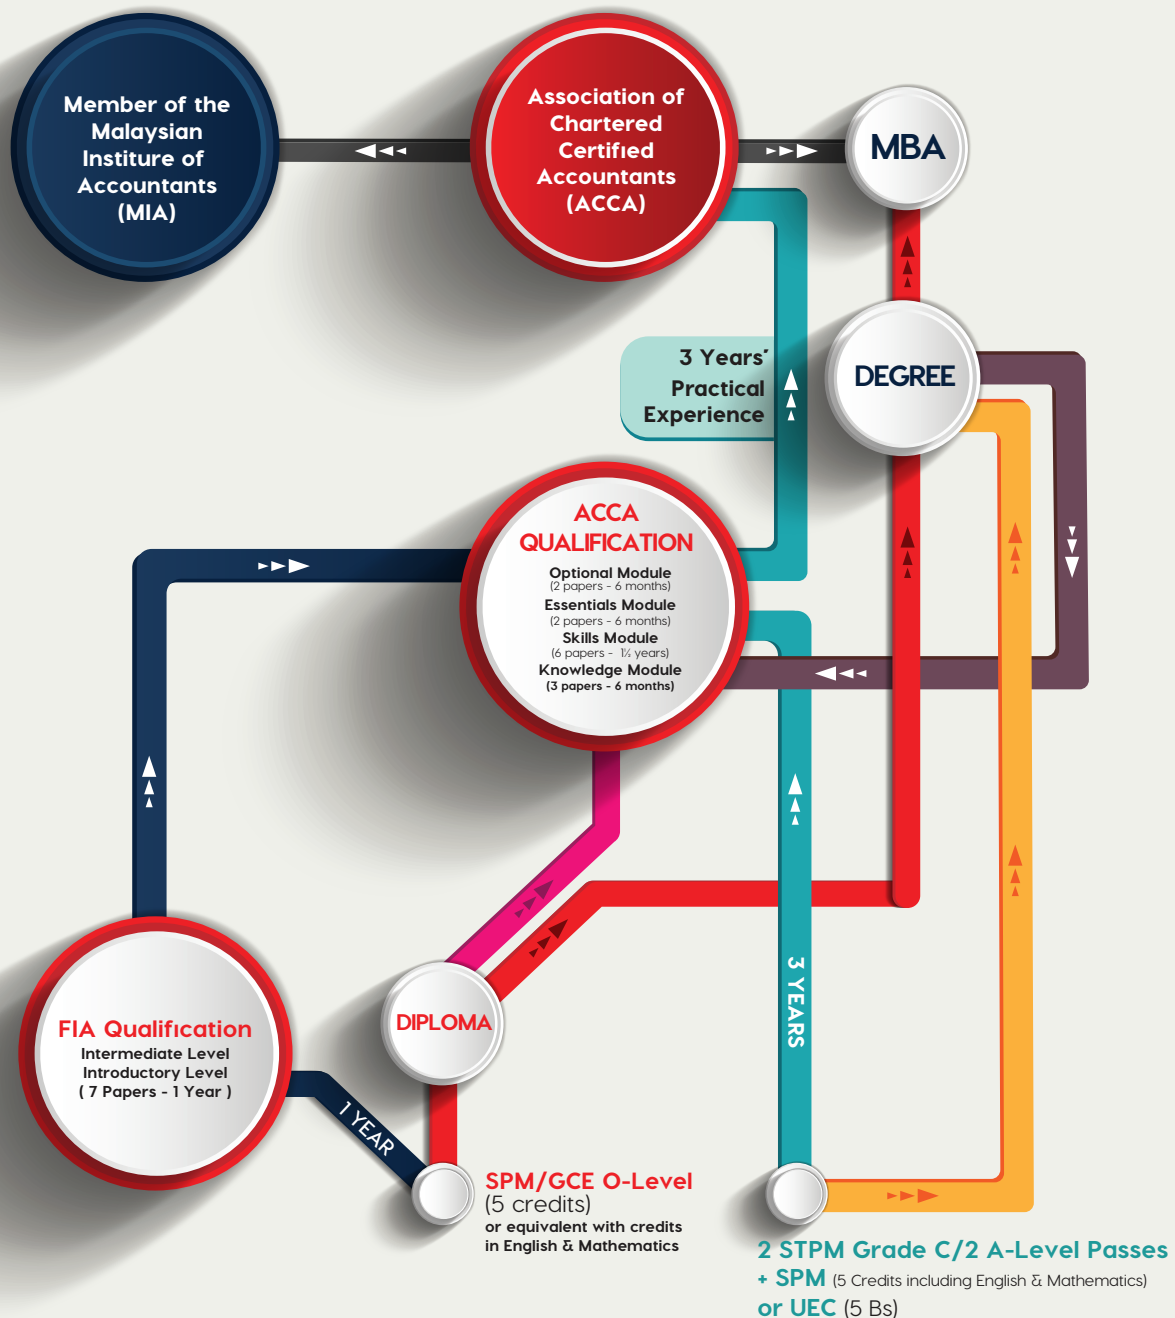

David Lam Hai Chiang is a Fellow of the Association of Chartered Certified Accountants since 1985. He is also a Chartered Accountant of the Malaysian Institute of Accountants since 1983. His years of working experience and seniority in the corporate world stand him in good stead in helping budding accountancy and business professionals.

In his varied and illustrious career which spans more than 45 years, he was appointed Executive Director, Malaysian Institute of Accountants; Executive Directors, Merger and Acquisitions and Executive Directors, China Operations of Public Listed Companies (PLC) in Malaysia; Director of Marketing of an education Group; Chairman and Deputy Chairman of ten foreign equity joint-venture companies in Mainland China with operations in infrastructure and manufacturing, covering ten major Chinese cities along the coastal region and along the Yangtze river.

In the early years of his professional career, he gained experience in firms of Chartered Accountants in Singapore and London. Upon returning from London he was appointed Financial Controller of a subsidiary of ABB, a Swedish Fortune 500 company. He then moved on to be the Internal Auditor of Multi-Purpose Holdings Bhd, a PLC in Malaysia.

As he has benefitted much from the global ACCA professional qualification in the advancement of his career, he is passionate to help aspiring professionals not only to pass the ACCA professional examinations but also to nurture them to gain leadership, professional and digital skills in this era of the 4th Industrial Revolution. This will enable his students to create unsurpassed competitive advantages in the advancement of their future career – Truly Education Beyond Professional Qualifications.
