BACHELOR OF BUSINESS ADMINISTRATION

KPT/JPS (R/340/6/0177) (MQA/FA1541) 06 / 22

**FACULTY OF BUSINESS, FINANCE
& INFORMATION TECHNOLOGY**

“

"It is an immutable law in business that words are words, explanations are explanations, promises are promises but only performance is reality."

- Harold Geneen

”

OVERVIEW

MAHSA University's Bachelor of Business Administration is a multifaceted and exciting 3-year undergraduate degree programme that primes its graduates for an exhaustive list of career options in the business arena and its peripheries, providing students with a sturdy foundation in the fundamentals principles of business.

Graduates will be armed with the necessary knowledge for a career in almost any business field of their choice, including business administration, business management, human resource management, banking, real estate, sales and marketing, manufacturing and trade.

Students will study accounting, business law and ethics, economics, finance, marketing, human resource management, management information systems and information technology, operations management, international business, organisational behaviour, strategic management, and quantitative techniques such as business statistics, financial mathematics and operations research. There are varieties of concentration courses such as General Marketing, Finance and Human Resources Management which students can choose based on their interest and current market demand.

When they have completed this programme, graduates of this very versatile degree will have equipped themselves with the knowledge and skills to adapt to and excel in any business environment of their choice, whether locally or internationally.
