

ENGLISH FOR ACADEMIC PURPOSES

English for Academic Purposes is designed for students who have a basic proficiency in the English Language and for them to improve their language competence.

The course involves twenty-two and a half hours per week of intensive immersion into the English Language environment via demanding and interactive classroom activities. The learning tasks involve oral presentation, project work, debates, movies, role-play performances and mock IELTS examination. These activities will coach students for the IELTS.

At the same time students are nurtured to be competent in their language skills which will render them as effective communicators of the English Language.

INTAKE

EAP STUDENT TESTIMONIALS

"We all know English Language is important for our future but there was always a fear in me to learn the language. However, when I joined the English for Academic Purposes course at MAHSA University, learning has become fun and easy. Our teachers conducted grammar lessons, role plays, presentations and other activities that always kept us on our toes. Meeting students from different parts of the world had also been very good and had helped me in my learning. I will never regret choosing MAHSA University"

-Waleed Ali Ahmed Omar-
