

Bachelor of Business Administration (Hons)

(N/340/6/0648)(08/21)(MQA/PA 8040) (KL Campus)

The Bachelor of Business Administration (Hons) degree is your pathway towards a rewarding career or successful entrepreneurship. This programme prepares you to take up management positions, as a professional or as the boss of your own company. It opens doors for you in a wide variety of industries from banking to investment, medical, IT, shipping, public relations, retail, insurance, hospitality, education, and so on, as there is a need for business administrators in every company. It's the perfect choice for those of you who would like to keep their options open, or for technical people to move up to management positions.

This degree programme is approved and accredited by both the Ministry of Higher Education and the Malaysia Qualification Agency (MQA). It is conducted in collaboration with Infrastructure University Kuala Lumpur (IUKL), one of the top-ranking universities in Malaysia. IUKL has been providing quality education for more than 20 years, championing the development of technopreneurs and professionals with outstanding communication, strong technological and managerial skills who are ready to take on the world upon graduation.
