

COMPUTING & INFORMATION TECHNOLOGY

Certificate in Business Information Technology • Diploma in Computer Systems Technology
BSc (Hons) Digital Business

COMPUTING & INFORMATION TECHNOLOGY

Technological progress is the driving force behind economic growth, citizen engagement and job creation. Information and Communication Technology (ICT) in particular is reshaping many aspects of the world's economy and society at large. Businesses can harness the transformative power of ICT to provide more efficient services, catalyst economic growth and strengthen social network.

SENTRAL College Penang is committed to continuously improve the delivery of ICT to equip students to be literate lifelong learners and global citizens of the 21st century.

University of
Salford
MANCHESTER

University of Salford
United Kingdom

The University of Salford, Manchester has over 100 years of history and experience from its humble beginning in the 19th Century during the great Industrial Revolution.

The University College Salford and the University of Salford finally merged into a single institution in 1996 – exactly 100 years after the formation of the original Royal Technical Institute.

Today the University has a successful global presence and a turnover of £189m. With the total of 7 schools, 20,000 students and 2,500 staff the University serves the needs of industry, commerce and education.

ONLINE COMPUTER ROOMS

As technology continues to expand, the College offers well-equipped networked computer laboratories on the IT floor for all its IT related subjects.

The smaller labs accommodate 20 terminals at minimum while larger labs accommodate up to 42 terminals.

SENTRAL Tower

OPEN-LAB

The College aims to provide a service that fully supports its students in their studies.

The Open Lab at Level 11 is freely accessible to students to conduct their research, write assignments and discuss and complete projects.

INTERACTIVE ROOM

The 30 seats Interactive Room provides an excellent setting for business meetings, conferences, group discussion, presentations and corporate retreats. It is equipped with LCD projector, sound system, WiFi, networking capability, whiteboard and conference-style sitting arrangement.

PARTNERSHIP WITH WORLD CLASS COMPANIES

The Product Realization Company

THEATRE ROOM

The Theatre Room 1 at Level 9 seats 38 in comfort while Theatre Room 2 at Level 11 has 30 seats. Each Theater Room is equipped with LCD projector, motorize screen, sound system, dimmer switch and power outlet at every seat.

CERTIFICATE IN BUSINESS INFORMATION TECHNOLOGY
