Student Services

Student and Career Counselling

At QIU, our counsellors are available to help students with academic and/or personal concerns. Students at QIU will be given personalised attention to assist them in meeting their academic needs.

Assistance with Accommodation

QIU will help students with their accommodation arrangements, ensuring that they can enjoy a fun, enjoyable university experience.

Mentorship Programmes

At QIU, students are not just taught academic programmes but are mentored to excel in their future careers and become responsible citizens who will contribute to the betterment of society.

Hostel Accommodation

QIU's hostels provide accommodation for students who yearn for the experience of independent life in a secure environment. Nestled in the greenery of the Kinta Valley, our condominium units give students the option of staying in a single or twin-sharing room, with 4 or 6 occupants to a unit.

Transportation is provided to shuttle students between the residences and the city campus. Security checkpoints are installed outside each unit, as part of the 24-hour security surveillance system operated by QIU-appointed personnel.

JBT/BBP(MQA/PA12511)10/24

Are you fascinated by the world of finance and accounting?
Have you ever aspired to be an elite management or tax consultant?
If your answer is yes, **QIU's ACCA** programme is where you need to be

The Association of Chartered Certificate Accountants (ACCA) institute is a global professional accounting body offering the 'Chartered Certified Accountant' qualification. Formed in 1904 and based in the United Kingdom, the ACCA is a fast-growing international accountancy organisation with over **200,000 members** and **500,000 students** in **180 countries**.

Students pursuing the ACCA programme can:

- Earn a Diploma / Advanced Diploma in Accounting and Business and go on to gain ACCA Member status;
- Earn a BSc. (Hons) degree in Applied Accounting awarded by the Oxford Brookes University
- Obtain a MSc in Professional Accountancy, awarded by the University of London

Benefits of the ACCA Qualification:

- Students can become a qualified Chartered Accountant under the Malaysian Institute of Accountants (MIA)
- Improved employment prospects, as students would show their abilities in all areas of business
- Assures employers that the candidate would have the skills needed to progress towards senior management positions
- Candidates gain specialist knowledge in finance and accounting, as well as valuable skills in organisational management and strategy
- International industry recognition, leading to an array of career opportunities worldwide
