ABOUT INTI

At INTI, our mission is to bridge the needs of tomorrow through the competencies our students gain today, empowering them to become the leaders, innovators and game changers of the future. We are committed towards ensuring our students gain the competencies needed for the workplace of the future, and to work alongside the digital transformations driving today's global businesses in the Fourth Industrial Revolution.

Through our innovative teaching and learning and extensive industry partnerships, we empower our students with the ability to work with smart machines, to process and analyse data for better decision-making, to learn about technologies that impact businesses and manufacturing processes, and to develop professional skills such as adaptability, working with multidisciplinary teams, problem-solving, and a thirst for lifelong learning.

By inspiring our students to explore their passions and discover their true potential through the right skills, tools and experiences, we continue to be a force of change in revolutionising education. Our commitment is to ensure exceptional graduate outcomes, and to transform our students into the dynamic leaders of the future – ones who will lead us in the Fourth Industrial Revolution, and beyond.

INDUSTRY RELEVANCE

INTI has established a strong collaborative network with key leading companies in the industry and has been at the forefront of education innovation by offering an academic curriculum that is not only industry relevant but also immensely effective.

INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

THE MENTOR-MENTEE PROGRAMME Expand your social circles and future horizons

New students at INTI are paired up with a senior student who acts as a role model and offers assistance in easing them into academic life. The mentor-mentee programme supports new students to form social bonds and helps them become a part of the close-knit INTI community. These social bonds provide a significant part of the support a student receives during their journey at INTI.

PARENT / TEACHER MEETINGS Get valuable feedback and grow

To keep abreast of a student's academic progress at INTI, both students and lecturers have access to the Blackboard Academic Learning system which helps them track the areas for improvement. Parents and caregivers are also invited to meet with the student's lecturers and academic staff to discuss their academic performance and explore ways to enhance it.

LINKEDIN Building your personal brand and your link to a world of opportunities

INTI has established a collaboration with LinkedIn that leverages its powerful connections, and offers training for students to create their personal brand and profile that elevates their opportunities for employability. Regular workshops are conducted to teach students how to create a compelling resume that will resonate with potential employers. With a complete, job-ready LinkedIn profile even before they graduate, INTI students have the perfect platform to build and enhance their personal brand.

MASTER THE ART OF COMMUNICATION

The ability to effectively get your point across to the masses is a powerful skill. These days, information can be searched with a few clicks of a mouse and the latest news can be shared and disseminated across the world within minutes of it happening, thanks to the power of mass communication. Mass Communication will train you in a wide array of disciplines that enables you to master the ability to craft and share messages with a global audience.

INTI offers various courses ranging from Diploma in Mass Communication to a Bachelor Degree in Mass Communication, in collaboration with the University of Hertfordshire, United Kingdom. Students who pursue this Degree will also have the option to complete their entire programme in Malaysia or transfer their credits and continue their studies at the University of Hertfordshire in the UK.

PRACTICAL EXPERIENCES AND INDUSTRY RELEVANT CURRICULUM

In keeping with INTI's educational philosophy to ensure students receive industry relevant curriculum, guided by experienced and industry-trained professionals, INTI firmly believes in integrating and incorporating a diverse array of practical course-related activities to its teaching delivery.

Students are also given collaborative internship opportunities at Malaysia's leading media agencies to expose them to real-world scenarios, e.g. challenge of developing and presenting advertising campaigns to management teams.

STUDY TRIPS AND VISITS

Students contemplating the option to complete their course at the University of Hertfordshire, UK, can firstly opt for an elective study trip and attend lectures and tutorials to familiarize themselves with the country prior to making their final decision. Students have also made one-day comprehensive tours to the National Film Development Corporation Malaysia (FINAS) to gain insights into film production and the technology used in the broadcasting industry.

MASS COMMUNICATION WEEK

This student-run and initiated campus-wide annual event addresses key issues in media and communication. Providing opportunities for students to develop their management and communication skills, students organise and implement the entire event from start to finish. In the past, the event welcomed some of Malaysia's most prominent figures to share their insights on mass communication issues. Luminaries such as Datin Paduka Marina Mahathir has taken the stage to speak at INTI International University while other talented individuals who have also given talks include Datuk Jake Abdullah, CEO of Astro Radio and Mark O' Read, a celebrated host on 8TV.

INNOVATIVE, INDUSTRY-RELEVANT LEARNING

Our faculty consists of industry professionals who have proven themselves to be acknowledged masters in their respective fields. This is also combined with a regularly assessed curriculum to ensure that every course is aligned with the needs of the industry. To enable students to maximise their learning experience, INTI employs the highly advanced Blackboard Learning Management System, allowing students and lecturers to interact with each other via curated forums online, revisit course content at any time and also allows students to identify areas for improvement via advanced analytics.

FULLY EQUIPPED BROADCASTING STUDIO

Our campuses come with fully equipped broadcasting studios that incorporate the latest technology. This includes a full array of microphones, lighting solutions and video recorders from reputable manufacturers such as Sony, Sennheiser and Lowel. The studio also incorporates a comprehensive studio recording management system akin to that used in broadcasting stations worldwide that enables students to gain hands-on experience into the work that goes into creating TV productions for broadcasting. With this fully equipped station, students are able to create a diverse array of productions for course work ranging from live reporting to full-on video productions from start to finish.

DIPLOMA IN MASS COMMUNICATION

This is a two-year programme that emphasises highly practical, industry-relevant curriculum that prepares graduates for positions in a variety of fields in Mass Communication. The course offers multiple electives and includes modules that are usually taught at higher levels to ensure that graduates gain exceptional practical experience.

Highly Practical Curriculum

The Diploma in Mass Communication is currently the only programme of its level in Malaysia offering a mandatory module in radio and online podcasting that enables students to create, produce and ultimately host their own programmes online. Students are also taught scriptwriting as a course module by practicing professionals from the Malaysian television industry to ensure that students gain job skills of relevant value.

The programme also conducts regular collaborative efforts with local mass media leaders such as The Star newspaper, Astro and BFM 89.9 where invited representatives share insights into the current environment, needs and demands of their respective industries. Invited guest speakers also share their experiences in preparing for a career in these industries and how to write compelling resumes.

Value-added Workshops

To ensure well-rounded graduates, students can opt to attend workshops of various fields to add value to their academic achievements. Students have the opportunity to learn, gain hands-on experience and master industry critical products and software suite, such as the Adobe Premiere Pro CS6, which is widely considered the industry standard for digital video editing, Adobe Photoshop, Illustrator and Indesign for desktop publishing, and Audacity for editing sound and music tracks.

3+0 BA (HONS) IN MASS COMMUNICATION

in collaboration with University of Hertfordshire, UK

The 3+0 BA (Hons) in Mass Communication is a 3-year and 12 weeks generalist degree that enables students to pursue a rewarding career in mass communication across a variety of industries. The course offers a solid grounding in various aspects of mass communication, including journalism, film, digital media and advertising as well as immense practical experience via courses in videography, magazine design, news/ features editing and a final year project with an employer.

Students complete the entire course locally in Malaysia, or transfer credits and complete their course at the prestigious University of Hertfordshire, UK. Throughout the duration of the programme, INTI students can gain access to the full range of University of Hertfordshire resources including recorded lectures which can be viewed online and much more. Students also have privileged access to INTI's fully equipped broadcasting studio to complete aspects of their course work as needed. Upon completion of this Course, either locally or at Hertfordshire, students will be recognised with qualifications that are equal to those conferred by the University of Hertfordshire.

As part of their programme, students are required to engage and work on a final project with a recognised industry partner. Students will undertake the project in a manner akin to a real-world project pitch by reviewing the issues faced by the employer, developing a proposal and solutions before presenting it to the employer.

BACHELOR OF MASS COMMUNICATION (HONS)

with INTI International University and University of Hertfordshire, UK

This a dual award degree is conferred by both INTI and the University of Hertfordshire and incorporates a more specialised curriculum that recognises the needs of the Malaysian broadcasting and mass communications industry. The programme is developed by INTI in collaboration with industry professionals and endorsed by the University of Hertfordshire. The advantage of its dual nature broadens the prospects of students in various countries and establishments.

Students initially undertake and study a core range of skills and subjects in a holistic approach that encompasses both theoretical and practical skills such as Communication Technology, Social Psychology and Professional Development. Students are then given options to specialise in one of four different areas: Advertising, Journalism, Public Relations and Broadcasting. In addition, all students are tasked to master a new language, such as Japanese, French, German or Mandarin, to prepare them for a competitive globalised industry.

Each of the four specialised subject areas offers a robust practical element which consists of an extended employer project. This element of the course is a hands-on project conducted with industry partners to assist in addressing key concerns faced by them. Students have the opportunity to work together as a multi-disciplinary team with those from other specialisations to solve challenging issues in a manner akin to working professionals.

FOUNDATION IN ARTS

This programme is specially designed to prepare students for the field of communication. It also has few subjects that allows students to venture into Business, Psychology and Sociology. There are four major communication subjects to enhance understanding in the field of communication. As these subjects are also substantial in the business degree programme, students have the option to choose electives or pathway of Business or Psychology. Students are also given an insight into creative and critical side of writing to prepare them for an ultimate unique career.

Learning approach

We employ various active learning methodologies, including Problem-based Learnings. Group discussions and projects are also incorporated to help students develop academically in areas such as study skills, presentation skills, research skills and time management skills, which are crucial for academic success. These will further enhance students critical and analytical skills, preparing them for tertiary studies and the demanding workplace.

Assessment

Assessment of individual courses in the Foundation programme consists of two components:

- Continuous coursework (50%)
- Final examination (50%)

The continuous coursework component comprises different assessment tasks such as group projects, assignments, laboratory work, presentations, tests and others throughout each semester. The final examination is conducted at the end of each semester. Assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

DIPLOMA IN MASS COMMUNICATION

This is a broad-based diploma course that covers Public Relations, Advertising, TV Production, Journalism, Graphic Communication and Marketing. It offers students a wide area to explore and discover where lies their true passion. With hands-on assignment backed by theory, students find it easier to choose a major for their degree or decide on a career. Students have the opportunity to gain experience through structured internships in this programme. We also bring the industries into the classroom, allowing students to understand and interact closely with the industries they will be part of in the future. By implementing Employer Lecturer and Employer Project initiatives, we reduce the gap between the industries and students.

Highlights

- Covers all areas of Mass Communication
- Hands-on experience backed up by theory
- Structured internship at diploma level
- Real-world exposure through participation in global events and projects
- Support from seniors
- Industry exposure in the classroom

HEAR WHAT OUR ALUMNI SAY

“I am grateful for INTI’s alumni-faculty relationships. My lecturers were always helpful and never let go of me as an alumnus even though I have left the university for some years now. As alumni, we could get any resources that we want if we requested it. INTI has never let me down!”

EDISON LIM HUANG XIAN
Founder and CEO, TAG La Technology
Bachelor of Mass Communication (Hons), INTI International University

“During my studies at INTI, I was not only participated in networking events but also took part in numerous competitions such as the Maybank Go Ahead Challenge where I was emerged as one of the National Finalists in 2019. I was also named the EPIC Entrepreneur Champion and a Malaysian Representative for the ASEAN Multi-Media Team. These experiences certainly built my credibility in obtaining opportunities from other business owners.”

KENNY LAM HUA JIAN
Founder and CEO, Polar Stomp
Bachelor of Mass Communication (Hons) in collaboration with University of Hertfordshire, UK

“INTI’s comfortable surroundings, affordable fees and diverse course modules were factors that led me to study there. Content management is vital in my current job and what learned at INTI has enabled me to effectively present subject matters in an interesting, clear, concise and logical manner. Looking back, INTI was practically my ‘home’ in education.”

KELLY ANISSA SUNNY AFFANDEY
Producer, Radio Station BFM 89.9
Bachelor of Mass Communication

“I chose INTI’s Mass Communication course for practical reasons – to gain knowledge and for the benefits I could gain from the practical assignments. From the practical assignments, I learnt to interact with people from all walks of life. I started to do some freelance work in video production and editing, and later managed to build my own clientele, which eventually led me to own a video production agency upon graduation.”

JUSTIN WONG ZHE XUAN
Senior Videographer and Editor, The Beat Creatives
Diploma in Mass Communication

“I pursued my MBA at INTI because of its affordability and quality. Also, I wanted to be a people-oriented, decisive and flexible leader. Although it was tough balancing my studies and my work, earning the MBA has been well-worth the effort. The course has equipped me with management skills to confidently tackle all my current work assignments. I have experienced an overall improvement in my productivity and efficiency at work.”

TEOH SIN YEE
Regional Creative Producer, Grab Taxi Malaysia
Diploma in Mass Communication
Master of Business Administration

EMPLOYER TESTIMONIALS

AMVPLUS ADVISORY (www.amvplus.com)

“For many years now, I have been working with different batches of INTI students on projects and the output has been simply phenomenal. The INTI students have shown a keen desire and positive attitude to learn and produce outstanding national and regional projects for the companies I have worked for. To my delight, my colleagues and clients regionally and globally have responded positively to the students' work.

At the same time, the graduate talent development initiatives with INTI are certainly making a very positive impact on the quality of graduates with the desired industry-ready skills in today's global world. With certainty, I highly commend INTI for this programme and effort, and I know that this programme will only move to greater heights, benefiting the companies who invest the time as well as the new graduates, the leaders of tomorrow.”

Andreas Vogiatzakis (Executive Director)

SAMSUNG MALAYSIA

“INTI's structured and committed engagement with the industry has closed the gap between the classroom and the realities of the workplace. This is critical to the development of INTI's graduates as the curricula is now more practical rather than academic. This makes a difference when employers like Samsung selects who their future talents should be. We no longer look at academic excellence alone, we look at how knowledge can be practically deployed. And in this regard, INTI has done a remarkable job preparing its students to succeed through close collaboration with the industry, tweaking both delivery and content which make sense to employers.”

Chen Fong Tuan (HR & General Affairs Director)

KPMG

“We have partnered with INTI for over four years and throughout this time, INTI has demonstrated dedication and conscientiousness in supporting our various initiatives. We are glad that we are able to provide an avenue to expose INTI students to real-life working environment and help them develop critical thinking skills, presentation skills as well as adaptability to different situations, all of which will be helpful when they start working.”

Siew Monsy (Executive Director of People, Performance and Culture)

EMPLOYER PROJECTS

INTI has established close ties with leading companies in the industry to develop employer projects to enable students to gain real, hands-on work experience while studying. Through these projects, students are presented with immediate challenges faced by businesses, and are required to work together in teams to develop and present their proposals. Projects are based on real-life business issues that will help students to develop their knowledge and apply their soft skills in actual business scenarios.

Some employer projects undertaken by our students:

- **AIA INNOVATIVE DESIGN CHALLENGE COMPETITION**
AIA
Students were tasked to produce a video on MyPage User Instruction which teaches AIA users to register and use its main functions. Students had the opportunity to work with AIA's professional team to produce high-quality ideas and standards.
- **8-WEEK CONTENT PLAN WITH ASTRO HITZ**
Astro
Students were required to brainstorm and create an 8-week radio content planning that included the use of Social Media. The students worked in groups and presented their ideas to Astro for their feedback.
- **SAVE THE DRIP**
Air Selangor
Students who were part of a third project with Air Selangor, were given a problem statement to overcome the increased water consumption in SS15, Subang Jaya.
- **INTERNAL AND EXTERNAL COMMUNICATION STRATEGIES: ENGAGING EXISTING EMPLOYEES AND LOCAL HIRES**
Flex
Students were required to analyse public perception towards Flex and to develop a new communication strategy that would allow the employer to engage with existing and new hires. They also had to conduct a survey as well as propose the necessary recommendations to ensure employee engagement and overall communication goals were met.
- **CREATIVE STRATEGY CAMPAIGN**
Digi
Students were tasked to design a creative campaign to promote the Capture App, the MyDigi App as well as Digi's Direct Billing to other campus students.
