**BUILDING CAREERS FOR THOSE WHO WILL BUILD THE FUTURE**

# DIPLOMA IN IMMERSIVE DESIGN new

The Diploma in Immersive Design provides graduates with skill sets that are highly relevant to immersive system development (Augmented Reality and Virtual Reality) and human-technology interaction for a bright future in the immersive design industry. Within 2.5 years, students will be equipped with theoretical and practical aspects for them to understand the tools and methods required to design, conceptualize, and create content for immersive systems on various platforms.

This technology-focused and industry-driven programme combines rigorous teaching components with real-life projects, simulations, competitions, and internships that prepare graduates to hit the ground running.
